MANCHESTER JR. SR. HIGH SCHOOL

ANCHOR 1994

To The

Class of...94

To Our Seniors:

As I watch this senior class operate around our school, I am constantly reminded of how much you have accomplished in high school. I see a group who has set a tone for our school that is characterized by respect for each other, respect for your education, and most importantly, self-respect. You have found the maturity to be grateful, care deeply and persevere.

It is with pride that I contrast the scenes I saw in classes and hallways with the confused, unsure, undisciplined and disgruntled group that entered high school with an over abundance of social energy.

I went to your first class meeting this year where students spoke and were listened to, and I remembered a freshman class meeting when many people spoke, all at once I might add, and few listened. Not much was accomplished and there was a danger that no officers would ever get elected. Since then many leaders have emerged to move the class forward, not only class officers and student council representatives, but also debaters, journalists, technicians, musicians, athletes and DECA participants.

I have found that being a spectator of this metamorphosis most enjoyable. We have been delighted to provide the environment, the arena, the challenges, the structure, the laboratory for you to find your strengths. But understand that you made it happen.

You are the "hard luck" class that has used your struggles to make yourselves better. Struggles and suffering by the way, lead to wisdom according to the ancient Greek writers. By the final year you have made your own luck. Your success and "luck" are well deserved.

Best wishes for continued success.

A Dedication To

Mrs. Kathleen Benoit:
A Teacher, A Leader, A Friend

There Are Many Reasons Why The 1993-1994 Manchester Jr.-Sr. High School Yearbook Is Dedicated To Mrs. Kathleen Benoit. She Is A Hard Working Parent Who Has A Special Relationship With The Students. She Is Deeply Involved With The School; Teaching Fundamental Subjects For Business Prospects. Finally, And Most Importantly, Mrs. Benoit Is The Class Advisor Of The Class Of 1994; And Without Her Commitment, They Would Have Had Great Difficulty Graduating. For These Reasons, It Is Clear Why The Yearbook Is Dedicated To Mrs. Benoit, For She Deserves This Dedication More Than Any Faculty Or Staff Member In The High School.

Mrs. Benoit Is A Caring Individual Who Has An Unique Relationship With All Of The Students. She Has All Of The Necessary Qualities For Being A Leader At The School; She Is Hard Working, Innovative, Inspiring, Motivating, Focused, And She Also Has A Great Sense Of Humor. Mrs. Benoit Has Greatly Contributed To The Seniors By Being Their Class Advisor. She Has Organized The Class, Masterminded Their Fund-Raiser's, And Has Prepared Them For "Life After M.H.S." For Her Undivided Dedication To The Class Of 1994, We Dedicate Our Yearbook To The One And Only Mrs. Kathleen Benoit.

Farewell

For twenty-three years Joni Stiener has been teaching at Manchester High School. During this time she has succeeded in making learning Spanish fun. It is not unheard of for her break into a rendition of "Chiquita Banana" while reviewing a vocabulary list of fruits and vegetables. She is always eager to share her enthusiasm for the Spanish culture with students and for several years brought her classes to Mexico for April vacation. Her retirement this year will create a void in the foreign language department that will be difficult to fill.

In 1993 Manchester Deca continued their exceptional success at Districts, States and Nationals. Thirty-five students qualified for the State conference held in Falmouth, Cape Cod and twelve went on to compete at the National level held in Orlando Florida. In 1994 MHS Deca once again out did themselves at districts sweeping four categories and having a total number of forty-five students the largest ever to qualify for states. Our exceedingly growing and continuing success of winning, will only lead us to many more victories.

THEATER

Manchester High School's theater program has undergone many changes in the past year. In June of 1993 a student run production of "Little Shop of Horrors" provoked much interest in the program. In the Fall, Manchester collaborated with Beverly High School to perform "A Midsummer Night's Dream." A one act play festival was put on in February, followed by the musical in the Spring.

Student Health Council

The Student Health Council is a newly formed organization. It's purpose is to raise the consciousness of important health issues including AIDS, sex, and drug abuse. We hope to change the prevailing attitudes about these issues.

This years boys Varsity football team was lead by senior captain Matt Bourke and Junior, Dan Downey. The leadership of the seniors Matt Bourke, Dave Buckley, Matt Colon, Matt Karol, Jaime Uliano, Andrew Barnes, Bryan Gubbins, was the reason the hornets posted a winning season with 5 victories and 3 losses. Seniors Matt Bourke and Matt Colon anchored a defense that gave up less than two touchdowns per game. The offense was lead by junior quarterback Kevin Delaney, the running backs Dave Buckley and Patrick Baker. You may give them your love but not your thoughts,
For they have their own thoughts.
You may house their bodies but not their souls,
For their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams.
You may strive to be like them, but seek not to make them like you.
For life goes not backward nor tarries with yesterday.

To the Class of 1994

We have had many moments to share since 1992. We laughed together (spooky world) cried together (Cyrano) struggled together (Chocorua) and even slept together (trips to NYC)! I will always remember the special times. My very best wishes to all!
